EDUCATION:

Malla Reddy Engineering College

B.Tech in Mechanical Engineering

- CGPA: 6.69/10

Hyderabad, Telangana

2020 - 2024

Sri Chaitanya Junior College

Stream: MPC

- CGPA: 7.36/10

Vijayawada, Andhra Pradesh

2018 - 2020

Sri Chaitanya EM School

Class 10th

- CGPA: 9.3/10

Nandyal, Andhra Pradesh

2018

SKILLS:

Analytical Tools:

- Power Bi
- Tableau
- Advanced Excel

Programming Languages:

- SQL (Structured Query Language)
- Python

Database:

- MySQL

PROJECT:

Hospitality Analysis

December 2024

Power BI Project

- **Situation:** A Five-star hotel, noticed a loss in its market share and wanted to address this issue.
- **Task:** To facilitate data-informed decision-making, I developed an end-to-end dashboard.
- **Action:** Using Power BI and power query, I analyzed data to track revenue by category, trends by key metrics, property performance, realization percentage, and several other KPIs
- **Result:** Empowered the Revenue Team with actionable insights, enabling a rapid **20%** recovery in revenue and market share within a month.
- **Technical Skills:** Power BI along with dashboarding, Excel.

Revenue Insights on Pizza Sales

November 2024

MySQL Project

- **Situation:** Noticed the sales of a pizza company.
- **Handling Ad-hoc Queries:** Addressed 10 on-the-spot requests with SQL basics like WERE, GROUP BY, ORDER BY, JOINS, CTE, WINDOW FUNCTION, etc. Ensured accuracy and speed in fetching data for each query.
- **Power BI Visualization:** Transformed query results into easy-to-grasp visuals using Power BI Utilized common chart like bars, pies, donuts, and lines for effective data representation
- **Technical Skills:** SQL, Power BI.

Certificates:

Microsoft Technology Associate – Introduction to Programming using Python (2022)

EXCELR – Data Analyst Certification (2024)

Achievements:

- Awarded second prize in running competition.
- Awarded prize in Abacus competition in school level.
- Runner-up in high school cricket competition.
